

The Lion's Headache

The lion

Went to the doctor's,

And sat down in the chair.

And the doctor said: "Now tell me, Sir

Why does it hurt and Where ?

And the lion said « I have a pain in my head

I have a terrible, terrible ache in my head »

The doctor gave it a tablet.

*And suddenly the doctor shaved the mane of the
lion .*

*The lion was annoyed so he bit the doctor because he
was evil*

.CRAK CRAK

Where was the leg of the doctor gone?

In the lion's mouth.
