

# The Elephant who had an ear ache

Went to the doctor's

And sat down in the chair

And the doctor said « now tell me, sir, why does it hurt and where ? »

And the elephant said « I'll tell you the truth,

My ears are big, i have a terrible pain in my ears

The doctor tested the elephant's ears.

The doctor, he climbed on the elephant's ears.

And the doctor laughed « Oh isn't this fun ? »

As he cut one ear with a saw.

And the elephant cried “It hurts”

But what's one elephant's ear's more or less?

Then suddenly the elephant ran away.
